John, Amir

I'm following events from holiday and will discuss with you more thoroughly when I get back, but wanted at this point to thank you for what you have done so far.

I will never be able to see, experience or imagine what you have from your visits. Your involvement is integral to the overall public service response, but will go under the radar compared to more visible services, but does not reduce the importance of what you do. So, thank you. And please pass on those thanks to other colleagues who were involved, but of whom I am not yet aware, as well as colleagues in the office covering your duties.

Thanks again; I'm proud of you.

Graham
