Hi John

Yesterday Terrent contacted the scanning company to see if they have a copy of the file as we do not. If they come back negative it means nothing was sent to them for scanning.

Morning Jago, I have been unable to find the electronic or paper file for Grenfell FP/14/03563.

There is an entry for archiving the file on Acolaid by JH on 8<sup>th</sup> July 2016.

Where are these usually saved to? I have checked the BC archive etc and cannot find them and I dox.

It may be that John weeded everything and nothing remains.

If you are unable to find anything could you call our scanning people to see if they have it pending or any record of receiving it.

Sorry if it is an obvious place.

John
