Dear Sir or Madam,

Can I please introduce you to our Company.

We currently operate a Fleet of Lorry Mounted Cherry Pickers with Operators up to the Working Height of 53 meters.

We are currently in the process of re-vamping our Website to show our full range.

Can we be of any assistance , once the Fire has been put out as we are near to Junction 6 on the M25 and can be on site for you in the space of a couple of hours of your call.

Kind regards

Tom Lawson
